“ I worked with Joe for the past 2.5 years in Rochester, NY.

*Joe embodied everything a man needs to be. He had a strong moral compass, cared for his family in spirit and in action, was blessed with a keen mind and had an outstanding work ethic. I so enjoyed our collaboration!*

*Joe aspired to achieve great things and he expected great things. His star was rising for the world to see and I have been privileged to witness someone wonderful!*

*We think of him every single day....I don't see that ever changing*
