“ Judy and Karen, I am so sorry to hear about Joey. I will always remember how he tortured Karen, Jennifer and I when we spent many a days at your house with my father. I have so many special memories that all of us spent together. SPD kids Christmas Parties, we never won anything....I will miss him, and now he is with Joe having a drink and talking about all the fun we had. I hope he is sitting around with Joe and my dad laughing and rehashing the good old times we had as one big SPD family. I will keep you and Karen in my hearts and prayers. Love, Lori Glander

“ Judy & Karen, Once again we have lost someone we love so much and who brought so much laughter and fun to our family. I will always remember that he said when he hugged me my perfume reminded him of Christmas Eve and I said why because it smells like fish? We always had a big laugh at that comment. Although I am not with you and our family my heart is with you and I know you know that. I love you both very much and my heart hurts for you. I will miss our Bubba, like I still miss Joe and Jennifer every day of my life. Sadly and lovingly, Aunt Gloria
