“ I worked with Julie at SNET. She was so knowledgeable and her level to detail was amazing. She was so highly respected and loved. She was an amazing person. My deepest sympathies to her family and friends.

“ I am so sorry to learn of Juliana's passing. I can still see her on the dance floor at the over 60 club doing footloose. We had recently exchanged emails and she said she was rejected for the kidney transplant and would have to be on dialysis for the rest of her life. Neither one of us figured that would only be a matter of weeks. She and Peter were one of my favorite people and I always looked forward to seeing them at the over 60 club. I am now in Florida, permanently, but I have many pictures of Juliana and Peter from the line dancing shows and parties we danced at. My condolences to Peter and the rest of the family.
