“ Jullian,
You were beautiful inside and out which made you all that more beautiful. Your star was so bright and your energy so strong it was felt from far away and now that it is gone it will forever create a vacuum in our hearts. You were one of the most giving persons I've known, if somebody mentioned liking something you either got it for them or gave it right off of your back. You brought people together and made everlasting friendships or partnerships. I will miss seeing you and you saying “hey baby what's up.” I will miss that beautiful smile. We will all miss you.

“ Jullian was my classmate and friend for 3 years at Stony Hill School in Jamaica before we immigrated to the United States as teenagers. I remembered her as a loving, giving, playful, beautiful girl, who was always happy and smiling.
My sincere condolences to her family and friends. I pray God's peace and love will comfort you in this difficult time.
