“ I met Kitty about 10 years ago in yoga class. She was so friendly and kind - and always had moment for a chat. She had a phenomenal memory for conversational details that we shared. I also used to see her walking her dog around bunny Park. I had no idea she was ill and am so very sorry to read the newspaper today. She loved Sal and her children and grandchildren so much. I send my sympathy to all of you for the loss of this wonderful lady.
