“ I will miss Kia, she was the best friend of my sister Belinda Joyner, she was a honorary sister in our home, our Mother adored her & she was one of the friends that could come & go as she pleased our Mom didn't give out open door policies but Kia was definitely one of them. My condolences to her family & friends, although she's gone she'll never be forgotten, people don't come along often like her so if she was in your life then you had a walking Angel in your life.

“ Our cousin Kia was such a light and it was funny to see and hear her laugh. She always got a kick out of us trying to get her to dance. She absolutely loved being around family and friends and that’s when she seemed to be happiest. She always got a kick out of seeing her dad dance. That made her smile and laugh so hard. Her intention was always to make it to every family event. She was quiet and didn’t talk much, but we knew when she was there. The family referred to her as OUR Kia. The entire ANDERSON family will miss OUR Kia. Love your big cousin Monica H. Williams.
