

Louis M Polidoro

May 11, 1952 - February 9, 2014

Louis Matthew Polidoro, age 61, passed away peacefully at his home in Stamford surrounded by his loving family, on Sunday, February 9, 2014, after being diagnosed with cancer on January 10th 2014. Lou was born in Bronx, NY on May 11, 1952 to Matthew Polidoro and Lorraine Klass Polidoro. He grew up in East Haven, CT.

Lou managed restaurants in New York City when he was in his late twenties. After moving to Stamford, Lou worked as a Banquet Director for the Italian Center for many years. Being an entrepreneur at heart, Lou launched Stamford Painting Contractors in 1984, which is now operated under Shoreline Painting and Drywall. Lou's true passion was food and serving the patrons at one of his many restaurants over the years.

Lou is survived by his loving wife; Jacquie Jesselli Polidoro, his two sons; Matthew Charles Polidoro and Christopher Lee Polidoro, his daughter; Jessica Lorraine Polidoro, all of Stamford CT, and his sister; Donna Polidoro Savino, of Branford CT.

Lou lived his life through the context of "love, compassion, generosity", and everyone he came in contact with felt every bit of it. He was a beacon of light that brightened every room he entered, and he put a smile on the faces of everyone who had the fortune to be in his presence. His spirit is forever strong

and vibrant, and it will carry him forward. Lou will be sadly missed and never forgotten. He will live on in the hearts of those who loved him forever.

The Polidoro family will receive family and friends on Friday, February 14th from 4 p.m. to 8 p.m. at Bosak Funeral Home, 453 Shippan Avenue, in Stamford, CT. “ *Good article! I would like to add, hevevor, that Saratoga Photobooth Company (and hvphotobooth.com) are the exclusive providers in Upstate New York of the award-winning Model 12 digital-retro photobooth. It's truly one of the few photobooshs in the world that offers the advantages of BOTH the modern digital photo booth and antique photo booth described in the article. Although any type of photobooth is probably great fun at an event, I thought it may be of interest and helpful for readers to know that this is available in our region We're now into our sixth year of providing the *authentic* photobooth experience for all types of events across Upstate New York. The experience has been extremely gratifying! We're also proud to be one of the first companies in the nation to be dedicated full-time to bringing back classic-style photobooshs! Besides our fleet of event rental photobooshs, we also have a collection of rare antique photobooshs from the 1940s-1970s.Best wishes!*

“ For three or four years Lou P, the Great Nicknamer, was my best friend. Through many adventures and misadventures we remained close back in the day. So nice to see him again at Pazzo a few years ago. I loved him. So very sorry for his family- he was truly one of a kind.

“ I regretfully am unable to get to CT to say good bye, I cannot get out with all flight cancellations. Flowers are a lousy substitute. My thoughts and prayers are with you Jacquie, Jessica, Matt and Chris, and my heart is breaking for you. I will always remember Lou truly as a great friend, with a golden heart, who was always creating something you just couldn't miss, always on an adventure, always busy, but always there, joyful and compassionate. As his dear friend Harry said, "Lou was always in a hurry", but this time you left too soon Louie. Rest in peace. Lou will always be in our hearts. Much love XOXOXO

“ So sorry to hear of Louie's passing. We were friends and neighbors growing up in East Haven. We were "The Pit Crew" and had lots of fun and laughs back in the 1960s. We lost track but have many great memories from back then. I stopped in to see him once at Pazzo but unfortunately missed him. Keeping you in my thoughts and prayers.
