“ I am very sorry for your loss, cioci Lucy was I feel the best godmother anyone could have. She was kind, caring, thoughtful and always positive with a smile on her face . I remember when visiting I would get in trouble with my parents and she would always step in and say oh he's fine leave him alone. I have nothing but fond memories of her and the entire family when we had the chance to visit each other. With love, Rich Suleski
