Family words cannot describe the pain I feel for the loss of Luis as papo. Never a bad moment. I will never forget all he did for my mom at Stamford Hospital. He loved her so much he kept watching over her. When she was there. Best cuzin ever.

“ *A dear friend for many years. Never will I forget when he was working in Stamford hospital and the help and generosity he had given me when my Dad passed away with Cancer. He was always willing to help anyone and give you the shirt off his back.*

“ *Uncle Luis, you will forever be in my heart. I can still hear your crazy laugh and hear you calling me Lori. I will miss our random super long conversations, coming over your house so you can show me lots of pictures from when we were younger. Oh how I wish we spent more time together. Thank you for always being the fun uncle and life of the party! Thank you for always remembering my birthday! May you rest peacefully, until we meet again. I love you.*

I want to pick up the phone and call you like we always did talk for hours on the phone we laughed and talked some more. You were my protector my big brother I looked up to we were a team not to be reckoned with now you not here anymore! I feel so alone without you. I will forever miss you. “ You are truly missed and will forever remain in my heart. Thank you for always being available and taking the time out of your day to talk to me. I will forever cherish our last visit, Puerto Rico, May 14th 2023 Mother's Day! We spent hours talking about the old days, laughing and high-fiving. You had about 6 glasses of water because the pasteles were too salty. LOL Now that was FUN!! You were always a gentlemen, hysterically funny, kind, smart, sweet, caring, passionate of your daughters and an all-around great guy, always willing to help anyone and everyone. We made plans for me to come visit again and stay with you.. it's a plan that will never happen. My most sincerest, heartfelt condolences to the entire family. Sonia Vargas Henry
