In short I probably wouldn't be who I am today if it wasn't for her generosity, selflessness and kindness. My sincerest condolences to her and her family. May she live forever in our memories.*

“ *Lynne had a unique personality with traits liken to Gloria Vanderbilt, Betty White and Mother Theresa. Variety was her "spice of life". From exhibiting the unexpected; from displaying her sense of humor; from utilizing her attention to detail, she patterned her life with determination and joy.*

Her memory of the past was on point. I was married in 1956. Lynne, at age 11 remembered my tragedy of breaking a fingernail on my wedding day. Our telephone conversations regarding family occurrences of yester-year were hilarious.

Lynne fought the fight, and will be remembered as a champion of family, friends and frivolity. Here's to Cousin Lynne!

Lynne was an exceptional woman who lived life with such fun and zest as we shared many moments of fun at Innis Arden playing mahjongg, going to events, having fun at PONUS Yacht Club and dancing and laughing! She was a remarkable woman who really cared about her Dolphin Cove many friends, about her Innis friends and so many church friends. I miss her so much and all our golf outings, parties at Innis, and her fun conversations about her life! Love you Lynne and rest in peace! Leah Marmon and Jim too!

Lynne was a good friend of mine and I will miss her very much! Many years ago we played golf together at Innis Arden, and later she taught me to play MahJongg. I will always remember her for that! Joe and I enjoyed many lunches and dinners together. She will be greatly missed!

*We love you Lynne! Rest in peace.
