“ He was a very good friend of mine, he always helped out. When I was 2 years old and my mom was divorced he helped my mom out a lot with me like driving her places because she couldn't yet and just doing what he can to the best of his ability. I find it kind of sad that I meant his kids after he died but his kids just remind me of max they look nearly identical and they both had the same jobs, stayed the same place, spoke the same, same photo poses, and everything. Overall I say Max Paulidor is a very good guy and I can confidently say he was my first real friend.
