“ *To my husband and me Marie will always be one of the most lovable people we ever met.*

I met Mary first in Brooklyn in 2017 through her son in regards to a real estate transaction.

From the very first meeting I felt like family because Marie was so warm and her heart was so open. She also had this way she would look at you that felt like she is looking directly into your soul.

My husband met her shortly after and felt the same.

Marie was so welcoming that we fast became friends and we feel honored and blessed to have met her and to have been allowed to have spent time with her and her bright star and strong spirit.

We will miss her dearly and we know heaven has gained a beautiful and bright angel.

“ *To our beautiful family of our darling neighbor Ms. Maria, we are #37 will truly miss her. She was a mother figure to us, and we cared and loved her as such.*

During her final few months at #41, it was our pleasure to be there for her and care a little more for her.

She would stand over the fence and talk to me for hours. She loved her house. She loved her flowers, and we loved her.

We will forever remember her with only fond memories of her calling us her "booboo"...

I know how hard it is to lose a mother and my thoughts and prayers are with you all. She was a blessed soul. Sleep in peace my darling. I will miss you. May you remain in your lord's arms forever.

Love always: Tandi, Neshal, Tej and Sohan.
