

## Mariya Veselovska

July 18, 1944 - January 20, 2026

Mariya Veselovska, maiden name, Fil passed away on January 20, 2026. She was born on July 18, 1944 in Borhiv, Lviv Region in Poland to Mychajlo and Anna Fil.

During Maiya's childhood, Word War II was ongoing; German planes were bombing Poland and Ukrainian Republic. Her entire village, including her family, was relocated to the Ternopil region in Ukraine by train due to government agreement and a new land division.

At 14 she started medical college and ever since never stopped helping relatives, friends and anyone who asked for help. She was a nurse for more than 30 years working in orthopedic and burn unit medical departments in Ivano-Frankivsk Hospital.

She was very loving and caring, empathetic and hardworking. She was the best mother and grandmother to her family. Together with her loving husband, Stepan, they raised their son, Roman and daughter, Olga and helped raise their grandchildren, Nataliya, Sofia and Julien. She loved, cared and always worried about her grandchildren.

Mariya will always be in our hearts; smiling and in our memories either cooking, baking, knitting, embroidering and organizing her surroundings

beautifully and neatly.

Rest in peace our dear mother and grandmother we all love you so much.  
Roman, Olga, Nataliya, Sofia and Julien, Natalia and Adrian.
