“ *Sorry to learn of Mary's passing and my condolences to her family. Mary served for many years with the Darien Police Department as a school crossing guard and matron and it was there that I came to know her. Being a crossing guard is not an easy thing by any means. Often times the weather could be adverse and the winters long and the morning and afternoon crossings could certainly break up your day but never the less it seemed to me that Mary was always there on her post - she was dependable, alert and cheerful. When it came to matron duties they were almost always a last minute thing and it was rare that she was not available. She simply was the best! I have many fond memories of her and she'll not be forgotten. Hugh McManus*
