“ *Maxi, I sit here and say to myself "WHY", I just talked with you last week as we discussed our Parents who both passed away recently and we both mentioned on how we both missed them dearly and then we talked about our two Daughters Angelina & Jaelynn and there school difficulties and how we both would get them through it some way some how, well it saddens me to know that you are now gone but I am so great full that we had this talk. And as I sit here now I can picture that Big Smile of yours as you pulled up too Springdale School to pick up Karina back in the day and our fun times back in Southfield village yourself, Me my sister Rosie, Marisol, Luis and Jose, we had so much fun. I will end this by saying I will truly Miss You my Dear Cousin & Friend, Until we see each other again keep smiling and as we talked that day I wish I would of told you that I Love You, but I know you knew that... God Bless You and tell my Mom & Your Dad Hello for me, and I know you will be so happy to see them both...*

“ Maxi you were truly like a sister to me, we shared a locker all through high school, I will always cherish those memories. When I recently ran into you it was nice reminiscing about the good old days in the village and high school. You were a true genuine soul who will be greatly missed by everyone that knew you.
