

Melissa (Missy) Anne Orgera Childakos

January 18, 1969 - February 23, 2020

Melissa (Missy) Anne Orgera Childakos, 51, a lifelong resident of Stamford, CT earned her angel's wings on February 23, 2020. Her death was untimely, and she will be missed by all the lives that were fortunate enough to be touched by her.

Missy was born on January 18, 1969 to Virginia Robotti Orgera and Ernest Orgera in Stamford. Missy attended Stamford public schools and graduated from the Sacred Heart Academy on Strawberry Hill Ave. After high School Missy found her true calling and received her Associates Degree in Nursing from Norwalk Community College. She then earned her bachelor's degree from the College of New Rochelle, graduating with summa cum laude honors.

Missy worked as a Registered Nurse at Stamford Hospital for 20 years before opening her own home health care business, MC Home Care, which she ran for the past 7 years. Missy was able to positively touch countless lives in her 27 years' experience. She was dedicated to her profession and it was showed by her compassion and endearing bedside manner to all her patients. Those that were cared for by Missy can now say they had an angel on earth caring for them.

Her nursing passion carried Missy into the next phase of her life –

motherhood. Missy was a devoted wife and mother above all else. She loved spending time with her family and took great pride in combining her professional and motherly skills to make that role in her life as great as any women can.

Missy is survived by her loving husband Argyrios Childakos, her 3 boys, Philip (14), Christopher (12), and Andrew (4), her parents Virginia Robotti Orgera (Thomas) and Ernest Orgera (Joyce) both of Stamford, her three brothers, Michael Orgera (Kristen), Marc Orgera (Dana), and Steven Orgera (Kathryn) all of Stamford. She is also survived by many loving Aunts, Uncles, cousins, nieces, nephews, and beloved friends.

A wake will be held on Sunday, March 1st. Family will receive EXTENDED FAMILY from 1pm to 3pm, and the PUBLIC, from 3pm to 6pm. Her burial will be held private.

The family has entrusted the funeral arrangements to Bosak Funeral Home, 453 Shippan Avenue, in Stamford, CT. If you would like to leave a condolence message for the family you may visit the guestbook on bosakfuneralhome.com or on Facebook at facebook.com/bosakfuneralhome.

“ You hold time in your hands, and see it all,
from beginning to end.
Please keep and carry these precious people
in their sadness and loss.
Cover them with your great wings of love,
give their weary hearts rest and their minds sound sleep.
Lord, lift their eyes so that they may catch a glimpse of eternity, and
be comforted by the promise of heaven.
We ask all this in the precious name of Jesus.
Amen 🙏
Sending prayers to the Orgera and Childakos families for peace,
strength and comfort during this beyond difficult time.

“ Just breaks my heart to hear she was taken from us at such a young age. I remember Missy fondly from high school in the courtyard, the cafeteria and the classroom and then on the weekends I would see her at various social events. She always had a smile on her face and a kind word to say. I send my more heartfelt sympathies to her family and friends.

“ Ginger and family, my heart hurts for you. I have so many fond memories of the family picnics, Christmas Eves and stories from my dad. While it's been years since I last saw Missy, I always thought she was as beautiful and sweet as her mom! May God hold you and give you strength in the coming days. May Missy forever rest in peace. I pray she visits you often in your dreams!

“ I wanted to work for Missy at her home care business. We connected instantly when we met. Unfortunately it was not possible because of her business partner. I was able to work in the office and then visit people she gave care to. Missy was incredibly unique. It was not just a business to her. She loved each person she provided care for and did above and beyond for them. That day we did home visits, I saw her running from place to place and in between get on the phone with her kids or her husband. She touched many souls here on earth and will continue to in heaven, definitely got the express on the way there. We all love you and will miss you, Missy. The pain won't ever go away completely but the day will come when you the memories will numb it enough to make you smile. I know because i went through it myself. Love to Chili, the kids and all the family.

“ Missy,
I met you through my significant other, the late Nicky Deyulio and your loving husband, one of my cherished childhood friends. "Pool Time", with your family was always a pleasure, as were you. We ultimately became friends, with you the "nurse", giving me the "patient" advice and vice versa on medications. I believe we both helped each other in many more ways than known. From there it grew into knowing each other on a more personal level and you certainly touched my heart with your unrelenting compassion for others. I will miss our talks, I will miss you!
To your wonderful loving and caring husband, children, your mother Ginger, with whom I also become very fond of and the rest of your family, I give my warmest and most heartfelt condolences on their untimely loss of a most outstanding women in our community.
Missy, you will be greatly missed, with all my love and sympathy.

Yours in Christ,
Nicole C.
