“ Dear John and Bobby, I was saddened to hear of your mother's passing. I and my siblings have so many fond memories of her over the years of being close neighbors. I remember the crazy T-shirt with the bikini that she purchased for a trip to Puerto Rico. She always was ready to laugh. I would see her often on her walks while I was visiting my mom. Both of you and the grandchildren were her pride and joy. May she be at peace and may you remember the good memories. My sincere condolences.

“ Dear John and Bobby and Family Members:

*What a wonderful Mother you had!! My deepest, deepest condolences to you and your family. As you know, we loved your mother dearly; had lots of laughs together when she went for her daily walks and stopped by to chat. Both Chela and I missed her visits after she entered the nursing home. She was the best neighbor anyone could possibly ask for. You boys were absolutely wonderful to her and visited her practically every day which she cherished and loved. Both Chela and I have many fond memories of your mother which we will hold special in our hearts. May God Bless you and your families and keep the Faith!
Love, Barbara Wood and Chela & Duffy Sasser*

“ Dear John, Bobby and family, I will miss your Mom very much. She was always so sweet to me and I loved her for that. One of my favorite memories of her is when we decided together that I should call her Mom Kulish. She liked that idea very much!

Much love to you all, Val and Al
