“ 15 years ago we moved into our house directly across from Mike and Joann. Who would have known we'd be so fortunate to have the best neighbors anyone could wish for! We miss our simple daily exchanges with Mike from driveway to driveway, Mike's bright smile, hearty laughter, and easy friendship. Joann please know that we are here for you and love you.

“ So sorry for the families loss! Mike was a great friend and great guy! I was sad I didn't get to see him for a long time since I moved to Georgia in 1991. We had fun working together at Spenards Roofing and going out on weekends in our younger years. We called him Mow Mow! I will miss you my Polish brother! We will meet again in a better place!  
Your old buddy Mike Koziel.

*To the friends and family of mike he was more then just a brother in-law to me he was a brother from another mother to me the memories of him will always live on in my heart and mind . The things he did for me and my family are countless and especially for my sister I don't think there are two other people in the world that were meant for each other.And I just would like to note He would always stand up for the workingman in the city of Stamford I hope that will be remembered for the ones that come after him. He will always be remembered as the chef to me as he shared many of his recipes and techniques.I was always known as his little buddy so I guess he was the skipper . May the memories of Mike live on to the ones that knew him and loved him. PS may the Clairol Colts and the silent cadence sixth in the nation Pop Warner senior league live on forever.RIP chef I loved you dearly your brother-in-law John.*
