“ Although I never worked directly for Mike during my time at LinkedIn, he was always a mentor and leader I respected immensely. We bonded over our love of punk rock and i could always count on him to keep it real. He was auch a sharp, witty and awesome human. I'm so heartbroken to hear about his passing and the family and his children will be in my prayers.

“ Reynolds Family,

Mike hired me at LinkedIn in 2017, and that decision truly changed my life. I'll always be grateful for the belief he had in me and so many others.

I'm heartbroken by this loss and am keeping your family in my thoughts. I hope you can find peace knowing how deeply Mike impacted the people around him.

Rest easy, Mike. You'll always be remembered.

“ Reynolds Family,

I worked with Mike during my tenure at LinkedIn. I know you're going thru a very tough time, and I want you know I'm here to support you in any way possible. You and your family will be in my prayers.

From my readings, I want to paraphrase a passage for lost loved ones:

Mike is now raised above all earthly problems and the everlasting joys and light of Heaven are his.

For he is in a very high place in Paradise. ☐
