

Miroslawa Anna Corra

March 19, 1961 - November 1, 2024

Miroslawa "Anna" Corra of Wilton passed away peacefully on November 1, 2024 at her home surrounded by her loving family and caretakers. Anna was born in Sprwtawa, Poland on March 19, 1961 to Jan and the late Melania (Lozyniak) Hlywa. She was 63 years old at the time of her passing.

Anna is survived by her husband, Lawrence Corra, her daughter, Alex Corra, and daughter-in-law, Ariel Sandrini, her father, Jan Hlywa, her brother, Jerry Hollyway, nieces, Alanna Marwyn and Erica Hollyway, and many friends who she considered to be family. She is predeceased by her mother, Melania Hlywa, mother-in-law, Giulia Corra, and father-in-law, Renzo Corra.

She immigrated to the US as a young child in 1963 with her brother and parents. She grew up in Stamford, CT, and graduated from Syracuse University in 1983 under the Carrier Dome. She was an avid Syracuse basketball fan and watched every game she could. She was employed by the Town of Wilton for the past 18 years, and loved working for the town where she raised her family.

Anna was the epitome of a matriarch. She led her family fearlessly through whatever storm they faced. She was courageous, resilient, and fiercely protective of those she held close. She had an uncanny ability to talk to people and make them feel at ease. She had a great sense of humor and a

quick wit, making other people laugh no matter the circumstance.

It was of the utmost importance to Anna to pass along meaningful family traditions and wisdom, many of them originating from her Lemko heritage, which she was so proud of - making colorful Pysanky every Spring to ward off evil, and all of the family recipes including her delicious pyrohy and keselytchia. She always wanted her tribe to be together, and went out of her way to make sure everyone was included.

Anna loved animals. She spoke frequently about the pets she had growing up, and, as an adult, her dog, Lou, was considered part of the family. She loved visits with her grand-dog, Faith, and grand-cat, Pugsley, until the end of her life. She also loved flea markets, always on the hunt for a new oil lamp to add to her collection, and scoping out new restaurants to try with her family. She loved to travel, even taking a semester in college to study in London.

If you knew Anna, you know how special she was. She was the type of person who left her mark on everyone she met, and she will be missed by many.

“ Teta Anna was a constant presence in my
childhood and created many fond memories
for me growing up. She was dedicated to
honoring our family's Lemko traditions and
taught me appreciation and respect our
heritage. During holidays, she always planned our family gatherings
and faithfully prepared our family's traditional recipes. She also
arranged many activities and trips for us as kids, such as weekly
movie days during our summer vacations, sleepovers, trips to
Ellenville, NY and Lancaster, PA, and took me on my first cruise to
Nova Scotia. More recently, I have fond memories of our trips to
Wurtsboro, our wine and painting night at Painting with a Twist, our
family escape room visit, and our beautiful trip to Gouveia
Vineyards. I'll always remember her antique doll and oil lamp
collections, her love of dogs, and her crush on Jason Momoa. I'm so
happy to have known Teta's bright spirit and I'm thankful for all of
the gifts she gave our family.
