

## Nathan P. Newhall

October 9, 1957 - December 13, 2020

Nathan P. Newhall, 63, of Stamford passed away Sunday, December 13, 2020 with his wife by his side following a battle with ALS. Nathan was born in Buffalo, NY on October 9, 1957. He was the son of the late Mildred (Duprat) Newhall and Byron Newhall.

He attended White Plains High School in White Plains, NY. He then received a Bachelor of Administration in Business from Iona College and a Masters in Business from Polytechnic University. After graduating from Iona, Nathan began his banking career at The Bank of New York. His banking career lasted over 40 years. For the past 17 years, he worked at People's United Bank in Bridgeport, CT.

Nathan married his wife Amy Jentsch on May 14, 1988 and they enjoyed a 32-year marriage filled with love and happiness. Nathan had no greater joy than his sons, Nathan and Daniel. His family are members at St. John's Lutheran Church, in Stamford, CT.

Nathan is survived by his wife Amy Newhall; two sons, Nathan (his wife, Alessandra) Newhall and Daniel Newhall; a sister, Priscilla Stonehouse (her husband, David); and by several nieces and nephews.

Nathan was a member of the former group Administrative Management

Society (AMS) where he met his future bride. When Nathan and Daniel were old enough, Nathan began his scouting career which spanned 20 years. Nathan served as Powahay District Chairman for two terms and Scoutmaster for Troop 5 Stamford for more than 10 years. In those years, he saw 18 Scouts from Troop 5 achieve the rank of Eagle, including his sons, Nathan and Daniel. He was also a Cubmaster for Pack 6 for several years. He was recognized with the "Powahay On My Honor Service to Youth Award", "District Key 3 Award", "District Award of Merit", "Silver Bear Award", and "Powahay's Pioneer Award". Troop 5 loved their camping trips; but their trips to the US Naval Academy for the Merit Badge weekend in January, where Scouts could take Merit Badges taught by the Midshipmen, was always the highlight!

There was a love for the Navy. Although Nathan never served, his dad, Byron, would share stories of his time in the reserves during WW2 at the United States Naval Academy before he went to the Pacific. Shortly after Byron passed in 2012, Nathan became a Blue and Gold Officer for the Admissions Office at the Naval Academy. He helped candidates with the application process and interviewed those that were assigned to him in the Stamford area. He was extremely proud of this volunteer job and took pride in what he was doing.

“ Amy, Our thoughts and prayers have been with you during this difficult time. Even though our times together were few, it was always a pleasure to visit with Nathan. We feel very fortunate that we got to know one another. I know Blake will always treasure his time spent at the Newhall home, especially those Sunday afternoons. Nathan was a great role model for him.

“ We met Nathan approximately 40 years ago when we worked at The Bank of New York. We have fond memories of working with him, going to dinner with Nathan and Amy and tailgating at Army football games. We were fortunate to have a zoom chat only two weeks ago. Nathan was a good man who loved his family and friends. We will miss him. Rest In Peace Nathan. Your friends, Joannie and Jeff Roe

“ Our son Colin was in Scout troop led by Nathan, and we got to know him through the years spent Cubbing and Boy Scouting. Nathan was such a caring and sincere leader. He was wonderfully caring, thoughtful, and possessed the near infinite amount of patience required for that difficult task. He always represented the best of scouting, and what is missing in so many boys and younger men's lives...a calm and responsible leadership model of adult manhood. He is will be missed, but never forgotten.

“ I had the privilege of working with Nate. He was extremely professional but what I remember the most is his stories about his family and his sons. He talked a lot about the Boy Scouts and was always giving me advise as the parent of a baseball player.

*My deepest condolences to Amy, Nathan and Daniel as well as the rest of the family and friends.*

*Take comfort on the memories and know that Nate will be remembered fondly by everyone who knew him.*

“ *What I remember most was growing up with Nathan and spending 2 weeks at Scarborough Beach in Rhode Island and eating sandy BLT's that Mom made every day . We had so much fun at the beach. Nathan loved the water.*

“ *He was a caring and loving person to his wife, sons and family, the last time we spoke on the phone all did was ask how I was doing and my mother. He would always say he was doing fine, even though he was suffering.*
