

Nikki Joyce Jaworoski

May 16, 1976 - September 4, 2020

Nikki Joyce Jaworoski, born May 16, 1976 in Mayodan, NC and resident of Stamford, CT, passed away unexpectedly in her sleep on Friday, September 4, 2020 at the age of 44.

A proud UNC Tarheel, she led a successful career in the pharmaceutical industry. Nikki was adored by co-workers and clients alike.

Nikki would light up any room she walked into with her signature smile. Nikki had a unique ability to make you feel like the most important person in the room whether she had just met you or had known you forever. She was thoughtful and generous; a true best friend to many. The perfect mix of feisty and sweet, she was the glue that brought both family and friends together. You could always find Nikki dancing with her hands in the air and was always the life of the party with a full glass in hand.

Nikki was truly loved by her husband and children whom she would have done anything for. She is survived by her husband Paul and their children Dylan and Avery as well as her mother Vickie and brothers Chris and Ray. Nikki was predeceased by her father Donald Joyce.

Family will receive relatives and friends at Bosak Funeral Home, 453 Shippan Ave in Stamford, on Friday, September 11th from 4pm to 7pm. A Memorial

Service will be celebrated at 7pm.

Her Memorial Service will be live streamed to start at 7pm, for family, relatives and friends to be able to join in her service virtually. To attend, please select “webcast video” on Nikki’s obituary on the funeral home website at www.bosakfuneralhome.com. Her burial will be private.

“ *Nikki was the light at every gathering. I was so nervous the first time I met her, but in 1.2 seconds after her first hug. She held me and said "I'm so glad you make my brother so happy, we are going to have so much fun". I knew then I found a home with this family. I loved to watch her enjoy my coffee creations. You know you've done well when both hands are on the cup, and the reward was a kiss on the cheek. I will keep my promise to her for the rest of my life.*

“ I remember the first day she walked through the doors at CompHealth in Norwalk. Paul and I were colleagues who sat next to each other and he turned to me and said "She will be my wife and the mother to my children!" He was right. Nikki was a ray of sunshine, intelligent and beautiful, inside and out. She is the definition of southern charm. From her infectious smile to her ear grabbing drawl. She was professional and personable. She worked hard and played hard. Loved her family and would do anything for anyone. You are gone, but not forgotten.
