“ I will miss Mama she filled a void in my life not having my mother anymore. I can remember we did so many things together she was my road dog at one point we had many conversations about life and she always told you how she felt and didn't sugar coat anything it was always good advice and we always ended our talks with I love you. I have so many special memories of her that I will keep close to my heart. Mama was a strong, caring, funny and feisty hard working woman and was the head of her family. We had a special bond. I love you Mama Sleep in Peace.
