“ *I met Patty at the YMCA and instantly became friends with her. She always brought smiles and laughter to me and others! She and I had a lot in common and I loved sharing with her. We also had a special love for our Dachshunds and always shared the latest pictures and antics of our fur babies. May her caring, loving, funny, positive attitude live on in all. My deepest condolences to her family. Beth Pacicca*

“Patty and I graduated HS together and I was so happy when we reconnected at the Tully gym years back. She always was the one to slide over and make room for me on Barre class and also in a dance class and then again in a Fitness Class. That’s how she was. Always making everyone feel special and inclusive. She would wear her Ugg slippers in the locker room and was a loving and caring person who everyone loved having around. A powerhouse with a big smile and really cute. My deepest condolences to her family.

“ *Dearest Tartell Family, I am so sorry for your loss. Patti lived with love in her heart and gave kindly to all of her family members, especially her dad and mom. As young cousins, I will always remember our fun at Nanny Tartell's house. She will be in heaven with them now watching over her dear family. Love to you all.*
