Pat had such a kind heart. She was always looking out for others. Always brightened everyone's day with little tokens. Whether it was a cup of coffee, a donut or a card. She will be missed by many. RIP 🙏🙏

“ *I am so sorry to just read of Pat passing away. My twin sister and I were classmates at SHA and I also just read of the passing of her older sister Barb who was a classmate of our older sister Alison at Laurelton . Oh it makes me so sad I can still see Pat standing in the classroom at SHA like it was yesterday. Please accept my condolences, Pamela Crombie Calman*

“ *Patricia, had such a presence about her, she livened up any room she entered with her vibrant personality. She valued her opinion even if she disagreed, and loved to bless others through her spirit of generosity. She will be surely missed and prayers are for those who truly knew her, loved ones and family alike.*

“ *Patricia extended a warm welcome from the day I moved in. I always felt she cared about my wellbeing, and whether she was offering advice or a pizza, she was kind and thoughtful. Even through her illness she continued to show interest in others. Patricia had a big heart and she leaves a tremendous void. May her memory be a blessing.*

“ I have known Patricia Wilks since I was a little girl. She had the biggest heart and was the kindest soul 🍷 I will miss talking to her and coming over to have garage sales. She always knew how to crack jokes and would have an entire room full of laughter. May God bless her with many flowers. She would have loved that!
