“ ‘Til you can’t ~ Cody Johnson

*You can tell your old man
You'll do some largemouth fishing another time
You just got too much on your plate to bait and cast a line
You can always put a rain check in his hand
'Til you can't*

*You can keep putting off forever with that girl who's heart you hold
Swearing that you'll ask some day further down the road
You can always put a diamond on her hand
'Til you can't*

*If you got a chance, take it, take it while you got a chance
If you got a dream, chase it, 'cause a dream won't chase you back
If you're gonna love somebody
Hold 'em as long and as strong and as close as you can
'Til you can't*

*There's a box of greasy parts sitting in the trunk of that '65
Still waiting on you and your granddad to bring it back to life
You can always get around to fixing up that Pontiac
'Til you can't*

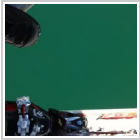

*If you got a chance, take it, take it while you got a chance
If you got a dream, chase it, 'cause a dream won't chase you back
If you're gonna love somebody
Hold 'em as long and as strong and as close as you can
'Til you can't*

*So take that phone call from your momma and just talk away
'Cause you'll never know how bad you wanna 'til you can't someday
Don't wait on tomorrow 'cause tomorrow may not show
Say your sorries, your I-love-yous, 'cause man you never know
If you got a chance, take it, take it while you got a chance
If you got a dream, chase it, 'cause a dream won't chase you back
If you're gonna love somebody
Hold 'em as long and as strong and as close as you can
'Til you can't*

Yeah, if you got a chance, take it (take it), take it while you got a chance

*If you got a dream, chase it, 'cause a dream won't chase you back
If you're gonna love somebody
Hold 'em as long and as strong and as close as you can
Until you can't
'Til you can't
Yeah, take it*

“ *Paul to me epitomized the drama and mystery of the west. His cool, laconic way of talking combined with his deep kindness and endlessly fascinating anecdotes made him a legend in my eyes as I was growing up. We are all richer for having known him.* ”

Paul, I remember when we were little kids and we got to sleep in your room on Christmas Eve because someone was using my bed staying overnight. We stayed up all night talking about Santa Claus. I have so many memories of you over the years. My favorite are of late when you would come to visit and we would laugh so much, Talk politics, take rides and go for walks. You were one of a kind. You loved people and people loved you.

Paul was a wonderful, kind hearted friend. Although we didn't see much of one another when he went West, I cherish the memories of our time together.

Remembering Paul from our high school days. He was fun loving and a free spirit. A kind soul whose memory will live on in all who knew him.
