

Pauline Barbara Dupree

May 23, 1935 - December 7, 2024

Pauline Barbara Dupree passed away on December 7, 2024, at Notre Dame Health and Rehabilitation Center in Norwalk, CT at the age of 89. She was born in Manchester, VT on May 23, 1935.

Pauline was the 4th of 6 children. She lived in New Jersey before moving to Connecticut. She worked and was a presence in the meat department at Grade A Shop Rite for 32 years. In her retirement she liked to read mysteries, do word-searches and spend time with family, especially with her sister, Barbara. Each year she spent about two weeks in her beloved Vermont.

She was a huge Elvis fan and had visited Graceland twice. In fact, her ashes will be placed in the replica of the pink Cadillac he bought for his mother in 1955. She is definitely going out with Elvis style!

Pauline was predeceased by her three sisters, one brother and her nephew/Godson, John Hoyt. In addition to her sister, Barbara Cartwright of Stamford, she leaves behind her niece/Goddaughter, Angela Cartwright of Stamford, and many nieces and nephews in CT, NJ, NC and NY.

The family wishes to thank Dr. Antonios Katsigiannis for his many years of kindness and dedication to her care and well-being. The family also wishes to thank everyone at Notre Dame Health and Rehabilitation Center for the

tremendous care and attention she was given. We are grateful. She will be extremely missed, but her memory lives on in her family.

A memorial service will be held in January at Shippan Place before she is brought to her final resting place in Vermont. Donations may be made in Pauline's name to Notre Dame Health and Rehabilitation Center in Norwalk, CT or (www.ndhrehab.org) or to the Multiple Myeloma Foundation (www.themrf.org).

If you wish to make an online remembrance for the family, you may sign the family guestbook at www.bosakfuneralhome.com or www.facebook.com/bosakfuneralhome .
