

Msgr. Peter P. Dora

April 29, 1941 - June 5, 2017

Msgr. Peter P. Dora, 76, Educator, Pastor and Chaplain, passed away on Monday, June 5, 2017 at Calvary Hospital, Bronx, NY. A Stamford native, he was born on April 29, 1941, the son of Paul and Rose Kmetz Dora. He attended K.T. Murphy Grammar School, St. Mary School and Stamford High School, and was prepared for the priesthood at St. Thomas Seminary, Bloomfield and St. Mary Seminary in Baltimore, Md. He was ordained to the priesthood by Bishop Walter W. Curtis on May 20, 1967, at St. Augustine Cathedral, Bridgeport. Always interested in education, after ordination he served as faculty member and spiritual director of Notre Dame Girl's High School in Bridgeport (now Notre Dame High in Fairfield); St. Mary High School in Greenwich, now the home of Greenwich Catholic School; and at the former Christ the King Preparatory School in Southport. He was also spiritual director of the Diocesan College House of Studies, the predecessor of St. John Fisher Seminary. During his years in education, Msgr. Dora assisted at several parishes, including Holy Name of Jesus, Stratford; Christ the King, Trumbull; St. Gabriel, Stamford; St. Thomas Aquinas, Fairfield; and St. Michael the Archangel, Greenwich. In 1973, he was named director of religious education for the diocese. In 1976, Msgr. Dora took a sabbatical to pursue ecumenical studies at the Catholic University of America in Washington, D.C., and at the Woodstock Center at Georgetown University, and he later completed further studies at Fairfield University and at the Monastery of Taize, France. He was appointed director of Ecumenical and Interreligious Affairs in 1981, a position

he held for 10 years. In 1984 he was named pastor of Saint Benedict Parish in Stamford. In 1990 he was appointed pastor of Holy Name of Jesus in Stratford, where he had started as a part-time parochial vicar after his ordination. In 2003, he became the pastor of St. Theresa Parish, Trumbull, a position he held until 2006, when he took the post of chaplain at Stamford Hospital with residence at St. Clement Parish in Stamford. "It's a joy to serve the people of God in the Diocese of Bridgeport, and to grow in faith and grace with the people in the various parishes where I have served, and will continue to serve," Msgr. Dora said at the time of his appointment to St. Theresa Parish. Msgr. Dora was also a diocesan consultor, president of the Board of Directors Catholic School System for Region VI, and was on the Clergy Personnel Committee and the Priests' Council. He became Chaplain to His Holiness to Pope John Paul II in 1991, with the title of Monsignor. Msgr. Dora lived in retirement at Catherine Dennis Keefe Queen of the Clergy Residence in Stamford. There will be no wake. A Mass of Christian burial will be celebrated on Friday, June 9th at 11am at Saint Bridget of Ireland Church, 278 Strawberry Hill Avenue, in Stamford. His interment will follow to St. John Roman Catholic Cemetery in Darien, CT. Msgr. Dora is mourned his older sister, Sister Patricia Dora, CSJ, of Hartford, his twin sister, Mary Rose Patten and her husband, Dwight, and by his nieces and nephews. In lieu of flowers, donations in Msgr. Dora's memory can be made to the Congregation of St. Joseph, 650 Willard Avenue, Newington, CT 06111; and the Expansion Fund of the Catherine Dennis Keefe Queen of Clergy Retired Priests' Residence, 274 Strawberry Hill Ave., Stamford, CT 06902. “ Dear Monsignor: This is Diane your 2nd cousin daughter of Mary Dora. I am so sorry I couldn't attend your services. I had an illness that caused terrific pain that kept me from paying my respects. I have loved you ever since I knew we were family, and felt fortunate to have you baptize both my daughters Olivia and Ava, as well as marry me. We lost frequent touch the last 2 years for that I do regret. I know you are in heaven with my mom, family and friends who have faithfully departed. I wish you everlasting life with Jesus our Lord and redeemer. Miss you and forever grateful, until we meet again. Love, Diane Heineken (Gasiewski)

“ So sorry for the loss of Msgr. Dora. As a nurse at Stamford Hospital I was always impressed by his constant quiet way of comforting visits to my patients, When my husband was very sick Father brought him peace and distraction from his pain, as a grieving widow he did the same for me. His words "life is short and eternity is so long, you will be together again for eternity" are always in my mind and heart. He will be missed and always loved

“ My sincere condolences and prayers to the Dora families. Father Dora was such a joy, inspiration and unique individual who touched all who knew and met him. His sermons were special, especially when geared towards the children attending Mass at St Benedict. I enjoyed the Blessing of the Animals celebration and would bring my 2 cats in their carriers for Father Dora to bless. It was such a fantastic event at St Benedict with all the parishioners pets getting along in harmony. Thank you Father Dora for your understanding and comforting words during my time of need. You are indeed surrounded by the angels and with God. I have and will always remember you. Peace!

“ My sincerest sympathy to the special Dora family - -I'm an old, old Cove native, but I've lived in Florida for more than 50 years. But my special sister Lydia Gallo has always lived in Stamford, until her passing last Dec. and she always kept me posted about the Dora family. Mary Rose, for years, all year long, I've enjoyed the palm trees that you bought with Lydia - they're part of the Fontanni nativity set, so they're part of our manger scene at Christmas time. 2 recent short stories about "Peter": One day when Lydia was very sick in the hospital, her Lutheran Slovak pastor was with her - and - in walks "Peter", a Catholic Slovak. What a special visit it was she told me with both of them there. And - when we were in church for her service, her pastor told me that "Peter" would be there, sitting in the last pew. On the way out Pastor was walking first, then me, crying, and our 2 brothers. I saw "Peter" and stopped and he gave me a hug. I told him I felt disrespectful calling him "Peter" but he said it was OK, and made me laugh instead of cry. How special he was. How special your whole family is. I just wish we had known each other for all these years. My sincerest sympathy to both of you losing your special brother. Mary-Jane (Gallo) Neils

“ My sincere condolences to the family. I met Msgr. as a boy while he was at Christ the King in Trumbull. He quickly became a family friend. He kept his eye on me during my college years by writing me wonderful letters full of advice and humor. Many years later we were honored to have him perform our wedding. He was someone who the conversation picked up where it left off even though you hadn't seen each other in some time. He was truly one of the good ones and I am a better person for knowing him. Please take comfort in knowing he was loved and appreciated.

“ I was truly sadden to learn of Msgr. Peter's passing. As a former member of St. Benedict's parish family and Cove resident as well as being a distant cousin through marriage, I came to know Peter as a truly wonderful priest. He said my parent's funeral masses in 1987 (I wish I could have been at his yesterday but just learned of it this morning) and was always there for spiritual guidance when my mother needed him. God bless your family and rest with the angels Fr. Peter.

“ To Mary Rose, Sister Patricia and family, It is with great sorrow that Gay and I have learned of the death of Monsignor Peter. I knew him, with my brother Jack, as a student and altarboy as one of "The kids of St. Mary's". His referential and spiritual demeanor was very evident even in those youthful days. Very recently our lives converged again with the several hospitalizations of our daughter Kimberly. She had been fighting a courageous but losing battle with brain cancer. In her final month long hospitalization Monsignor visited her daily, kept her company, made her laugh and through his many prayers and blessings brought her the needed spiritual comfort and peace. He helped her as no one else could, to end her 10 year battle with cancer. We will never forget his loving care and are so grateful God allowed us to have him with us. As John Roman stated: "The Cove has lost it's Saint". So have we all. May he rest in blessed peace. Gay and Bob Hart

What a beautiful sweet loving and gentle soul he was on this earth and will continue to be in heaven. I will never forget all the many visits he made to the hospital and rehab centers to visit and pray with both of my parents in their last days as well as the many visits he made to our house to give them Holy Communion. I will never forget all the wonderful talks my parents and I had with him. Also, I will never forget his graciousness to perform both of my parents funerals. Thank you for being there for all of us. You will be greatly missed here on earth but you are our guardian angel now. God bless your soul! XOXO

“ This is truly such a deep shock and tremendous loss. I've known Msgr. Peter for a long time going back to my days at Norte Dame Girls High School as our spiritual director to our pastor at Holy Name of Jesus in Stratford CT. He was so beloved by all filled with compassion and kindness. He was wonderful to I and my family and provided such support to me when I lost my first husband. And then he officiated at my second marriage at St. Teresa's church. After his departure we lost touch but he was always in my thoughts and prayers. I missed you and now more than ever. “ My best friend, Marge and I have been blessed for twenty-seven years to have shared a very special close relationship with our wonderful Monsignor Peter. He was our treasure, our knight in shining armor, always there when you needed him. He loved both of our Mothers and was there for both of them until the end of their lives. He chose us to chair the Sausage and Pepper Booth at Holy Name of Jesus Church Fair and we had so much fun doing the prep work and all that it entailed on the day of the fair. Our team was delighted with his down to earth involvement in our success. He would have been chopping up those peppers and onions if we let him. That was Monsignor Peter, truly a priest of the people, he was one of us and we all loved him so very much. We were together through thick and thin. He never lost touch and I can still hear his voice telling me not to give up when I was diagnosed with cancer. He kept calling and telling me that he and all the priests at Queen of Clergy had me in their prayers. Well how could I lose with a team like that. He always told me that I should pray for him too and that is exactly what I did. I know that he took the express route up to those pearly gates and that they indeed opened wide. He was our Saint Peter here on earth and I know that he is now our special angel watching over us. Rest in Peace, Monsignor Peter, you have our undying love and gratitude. “ Dear Msgr. Dora's Family and Friends, I reacted with great sadness to the news of Peter's passing. He not only was my parish priest at St. Benedict Church but also a wonderful neighbor in the Cove section of Stamford. He officiated at my father's burial Mass and during the homily he reflected that yet another "Cove boy" was welcomed with open arms when he arrived in Heaven. Thank you for your devotion to all the parishioners you counted among your flock. You ministered to all of us long and well. We were blessed to be part of your congregation. What a wonderful, sweet, kind, knowledgeable man. I too grew up in the Cove and also attended St. Mary's and SHS (a few years later than Monsignor). He and I would reminisce about life in the Cove during the 50's and 60's. He made sure we would go street by street and he knew at least one family on each street. Peter has touched so many lives. He will be missed by many. Monsignor was proud of his Irish roots and I know there is an Irish party going on in Heaven welcoming him home. Rest in peace Monsignor; you've earned it! “My deepest sympathies to the Dora family. My husband and I met Peter at Trip's Restaurant about two years ago. We knew him as Peter and didn't know that he was a priest, let alone a Monsignor six months later. When I found out he was a Msgr. I immediately asked him, what would you like me to call you should I call you Father, should I call you Msgr. and his answer was Rita my name is Peter, I want you to call me Peter. On September 27, 2017 my husband had a medical episode and was in the hospital and rehab center and then back to the hospital for over 10 weeks. Peter came every day when he was at Stamford Hospital and sat with me. I could never have gotten through this ordeal without him. He just was the kindest, sweetest person in the world, always putting everyone before himself. Unfortunately my husband passed away November 21 and it was an honor that Monsignor Dora did my husband's funeral for me and my family. My grandchildren especially my oldest granddaughter Lily (10) is saddened by monsignors death. My entire family just loved him. When he passed away, he went straight to heaven he was truly an angel put on this earth and I personally will truly, truly, truly miss this wonderful man. I loved him, Monsignor Dora and as I knew him Peter. Rest In Peace, I will miss you.

“ *When I read the Pope's words to newly ordained priests this year I couldn't help think of Peter Dora - a blessing to anyone who met him. He will be missed by many. <http://www.catholicnewsagency.com/news/pope-urges-new-priests-to-serve-with-joy-never-sadness-94593/>*
