“ I have known Randy since 1979 when we both worked at American Avitron. We met again in 1985 when we joined Pyne Corporation (Fujifilm). I have many fond memories of those early years. We shared stories of "back in the day", excitement of becoming a parent, and episodes of Dancing with the Stars. Randy was a generous and kind hearted person. He will be sorely missed. My thoughts and prayers go out to the family. Bill Tierney

Randy always cared about the "right things" and how to be fair to his fellow employees while providing the best possible service to all of us. This is a very sad day for the FMSU family. He will be missed tremendously.
