DO

“ *Raul, in many ways you represented a valiant take on the many challenges in life. Your life may have been cut short suddenly, but I am sure your spirit, your love for your family and your smile will forever touch the lives of all that loved you and especially your family. It was an honor to know you and work with you in some capacities. It is with great sadness that I write these words as I had no idea or inkling that the week before your passing would be our last interaction. You did well in your race and though your journey here on earth is finished, your legacy will live on through your family.*

*To the family, I want to express my deepest condolences and continued prayer.*

*Rest in peace.*

*Doug*
