

Rensley Corera

January 4, 1953 - October 5, 2021

Rensley Corera, accepted Jesus Christ as his Lord and Savior. Rensley exhibited patience, perseverance, cheerfulness and grace in spite of his health condition. He endured a rare condition of Cerebellar Atrophy. He was a testimony to many around him and to those who cared for him. Rensley got compliments that he should be cloned as a model patient.

Having come from India as a merit student in 1981, Rensley earned Masters in Analytical chemistry from the University of Wisconsin, Milwaukee. Throughout his career he worked as a Quality Control Analytical Chemist.

He is survived by his dear wife Matilda Corera.

Rensley worshipped in Landmark Baptist church from 2010 and has testified that his spiritual growth was a result of the continuous teaching he received as part of the church.

He loved John 3:16 and wanted the verse written in his bedroom.

“For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.”

We give God all the glory for his life and testimony.

“ I had the pleasure and blessings of meeting Matilda and Rensley in the late summer of 2005. They are both very hospitable. Rensley was a very welcoming husband whenever Matilda had us, her friends over at their house. He was friendly, kind and supportive. He loved the Lord Jesus Christ so much. He will be greatly missed. May Almighty God, the Father of all comforts comfort you, Matilda during this difficult time. Michael and I will be praying for you and your family. Agape from Miriam Oviasu-Egege.

“ We are very much saddened by the demise of Rensely mama. He is with our almighty and always be amongst us and bless us. Mama was a bright student during his school days and university gold medalist during his college days. Mama is a down to earth person and never shy away helping others in need. He travelled to places and reached heights during his very early stages of his life. He presented me a walking Santa during one of his visits to the US. It's still with me as one of my precious gifts. Mama loves bike rides and very fond of Parota set a delicacy dish of tuticorin. Pramila aunty is a great human being who always stood by mama and took great care of him. Have always admired the patience of Pramila Aunty and the ways she took care of mama
Mama we love you and you will be always with us and in our prayers - Sylvin & family

“ I have known Rensley since 1997-98 and I can say that he was a very soft spoken and calm person. I had also seen a very resilient person in the last few years while he struggled with his illness. We will miss you and believe that God has chosen to take you back according to His plan.

“ I came to know Rensley in the last chapter of his life. In the last 15 months, this wonderful man and his equally wonderful wife, Matilda had welcomed me and fellow hospice care staff into their home to care for him. Our visits were always a great beginning or ending to every week and despite everything he had been through, he was always kind. There was a gentleness about him that I will never forget. It was an honor and a privilege to care for him and get to know this kind, gentle and funny soul. I will miss him... Karen Tiberi, RN

“ My brother in law Rensley annan has reached his heavenly abode after a lot of patient suffering. In every visit, his health deteriorated, but his cheerful spirit was left untouched. Something amazing which can be attained only by the grace of God. He was more like a child saying the biblical verses with enthusiasm . My dear sister had been with him all along taking care of his needs till the end with a lot of patience. meeting his spiritual needs too. They were very close during the latter years and stood as an example. My sister can have the contentment that she has taken care of him till the end. May the soul of dear rensley annan rest in peace.

“ I had the privilege of knowing Rensley Corera as my brother-in-law in years past as a brilliant man. I realize our family's great loss and he'll not soon be forgotten by our family. He could endure his long ordeal of his failing health only with the grace of our Lord Jesus Christ our Savior. This itself is a testimony of his faith in our everlasting God and must have found mercy in the heart of the Good Shepherd. May his soul rest in peace. Amen.

After the death of our parents the death of Rensley really made us sad. Through my sister I learnt the amount of patience and endurance he showed to fight his physical ailment. I think we should learn lesson from him. RIP Rensley.

What an honor and privilege that I was part of a team of his caregivers. The man is a man of true honor and dignity. We could all learn a lesson of patience and perseverance from him. Words cannot describe how much this man has touched my heart and taught me how to appreciate life to its fullest! There are no words to describe his wife except what a beautiful, wonderful, kind, caring, generous, and patient, always had a smile on her face when I walked in the door! My weekend will never be the same 🕊️❤️ Rest in peace Mr.C. see you in heaven!!

Rensley Corera came into our family in 1985 when he married my sister Matilda. He was a quiet and unassuming person but very knowledgeable and this enabled him to go places. Being in different parts of the world we did not meet often but kept in touch. His failing health went on for many years but that did not dampen his cheerful spirit. His complete surrender and dependence on God's will helped him to endure his pain and suffering with patience. During our last visit in 2020, we shared some interesting conversations. We pray that God wrap His arms around him and give him peace and eternal rest!

All of us in our family learnt about his demise with utter shock. I personally had very many interesting interactions with Sir.Rensley when I used to be at Stamford, and can never forget the sense of humour he had, and his affinity towards his young age memories. In spite of his health challenges, his witty and innocent conversations are unmatched, and will stay in my memories for ever. No one passes away from us, as long as their Memories are alive.

This is our Loving FAMILY in CHRIST !

We are very close with Bro. Rensley & Sis Matilda in Christ Family since 2008. God had prepared this blessed family in Stamford, CT ahead before our family moved to Stamford. Yes, it was a divine connection!

We used to spend more time of fellowship during the week end and Holidays (especially Thanksgiving and Christmas) at Rensley Sir's house in Prayer and worshipping the Living Saviour Jesus Christ. His smily face, laughter, calmness, many conversations are still reciprocating in our mind. Sweet are those memories. I and my Family witnessed how God's Grace and His mighty hand was upon him and his wife Sis. Matilda until these days - during all the trials and temptations.

How true it is to say that the LORD was caring and Carrying them !

Though it brings sorrow to our heart, we have the blessed HOPE in CHRIST ! and it comforts us.

"We are not here to stay; we are here to go". "The day of death is better than the day of one's birth," proclaimed Solomon the wise (Eccl 7:1)

For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him. 1 Thess 4:14-18.

Rensley annan and I grew up in Tuticorin but had not met each other until my sister-in-law got married to him. I had heard of him as an intelligent guy from his maternal aunt. One Sunday evening, way back in 1985, my sister-in-law and I were muddling our heads not knowing a particular word while solving the cross word puzzle. Atlast, when my sister-in-law approached Rensley annan, he casually gave the right word within a fraction of a second. Such was his high mental calibre.

During our visit in 2015, he was more like a child depending on my sister-in-law who took immense care of him like a mother, attending to all his needs patiently and cheerfully with a smile. Whenever he spoke with me I could sense his longing to know of the happenings in Tuticorin. During this pandemic, I am glad I could help him chat with his long-lost buddy of Tuticorin.

May the Lord's grace, that enabled Rensley annan to prepare his soul for his end, be a source of comfort and solace for my dear sister-in-law all the days of her life.

Rest in peace dear annan.
