“ Our deepest sympathy goes out to Ricardo Perez family and friends. It is sad to see our loved ones go so soon. We would do anything to see our loved ones again. Jesus promised that soon "those in the memorial tombs will hear his voice and come out". (John 5:28,29) In harmony with God's purpose, anyone resurrected will have the opportunity to live forever on a paradise earth. (Luke 23:43) Our intentions are to be able to give you some hope in this difficult time for the future. The Bible's promise is that soon we will no longer suffer. (Revelation 21:4) Reading the Bible daily can help us cope with anything. It is the manual to our lives. Hopefully this message will give everyone some peace. We will have you in our prayers.

“ Brenda and Family, Although Ricky was in Florida, to us he was one of our London team and we are deeply shocked and saddened by this sudden loss. It is a testament to the type of person that Ricky was that we feel as if we have lost not just a colleague, but a friend. We will truly miss him, his calm and positive outlook, his helpfulness and his cheery conversations. Our thoughts are with you all at this difficult time.Lydia VitalisGreenwich Associates (London)
