Beautiful service and words spoken. Very moving and my heart hurts for you and Angela and the rest of the family. Made me laugh about Nona saying what are you doing here? He's in trouble but I'm sure she embraced him with her loving arms as did his paternal grandparents and other family, most recently Ryan. Gone too soon but he made a lasting impression. There will never be another Richard like him. He was one of a kind. Love you all. Rest In Peace Sweet Nephew. We will always love and miss you, but you're not in pain anymore. Fly high. 💕💕

“ *My sweet and loving nephew Richard. There are so many beautiful memories that I can share with everyone. The times you came to visit us in Puerto Rico and the fun we had. You were so caring and loving and funny like your dad, My brother, Albert. We spoke recently, after Ryan passed away and we were both hurting. We said we would cherish all those memories in our hearts. And now, my heart is in pieces again and I just hope that You knew how much I loved You. If you only knew how happy You made me feel when you called or sent me a message. Your last text messages were Hi Titi, I'm outside, Open the door. Love You Titi. You actually made me look out the window to see your beautiful face. Rest in peace My sweetheart and know that You will always always be in my heart. To my brother Adal and Ángela, I am so truly sorry for your pain. I love You both and I am here for you. May God comfort and guide us all. Rest in peace, Richard! Te quiero!
