“ My dearest friend, I remember the first time I meet you in high school at A&P. Boy-o-boy Bobby Beluk. St. Patrick's Day parties at the Beluk's, swimming in the lake, drinks at Toronto's, meeting Kashif and Whitney Houston to name a few. Seeing you in your glory day DJ'ing and just having fun. Me visiting you in college in RI and just sleeping in your arms. I know I was the one person that always had your heart. Never thought it all come to end. But I am happy I had the last 19 mos. with you. I would have loved to see what our lives together would have been. So many great memorizes which I will cherish deeply.

Ny deepest condolences to your family and friends.

Rest in peace my friend. "I Will Always Love You". Chipper❤️

“ My thoughts and prayers on the loss of Bob! I am a fellow St Basil Prep 1985 grad and Bob was a great classmate always smiling, helping and making us laugh. Though many years have passed he was never forgotten! May his family find comfort in this Easter Season, Scott Duffey
