“ Our family was deeply saddened to hear of the passing of Bob. We will remain forever grateful for having gotten to meet and know Bob and his lovely wife Stella. Even though we did not know Bob for very long, in the short time we came to know him, our family felt that we had known him forever. For many, many years, Bob was the dearest, most loyal and probably "only" friend that our Dad ever had. Bob called him "Pops" and as Dad, being 91, moved between his home, the hospital and eventually a nursing home, Bob always gave Dad kindness, companionship and friendship with his almost daily visits, that always included his favorite Entenmann's. If Bob couldn't visit "Pops" then Dad could always expect a phone call checking up on him. Our family is certain that Bob was that special angel on Earth that comes into your life every now and again, and we will forever be thankful that our paths crossed. With sincere thoughts and prayers, The Preston Family and "Pops"
