“ We met Rosario several years ago when she starting worked with us to manage a very busy household, 2 working parents, 2 teenagers and a dog. She was just wonderful. She started as our employee, inspired all of us with her work ethic and caring and became an integral part of our family. We are grateful for her efforts and positive influence on our children. She will be greatly missed. My sympathies to her family.

“ I met Rosario through my sister in 1999 and we had an instant connection. My sister's best friend became my friends too, and my partner in crime. How could I forget when we decided to smoke a tobacco together and felt dizzy afterwards, but we had the best time. She was always smiling, happy and she was an excellent dancer! I am reminded of her through a really good bachata or great wine. I am going to miss you, but I am thankful for the life we shared. Always in my heart, fly high Comadre 🙏🥹❤️

“ It was the summer of 1989 when I had the pleasure to meet Rosario thru a mutual friend. It was a Sunday, I remember that very well, so the four of us headed to Six Flags Great Adventure. Charo from CT, Carolina and her boyfriend from NY and me from NJ.

We had a great Sunday rides, food, laughs and got lost on our way back so we got back in NY around midnight, Carolina told me to drive Charo home to Stanford, well I did , Charo felt guilty and offered me to stay in her house and sleep on her couch.

From that day on I tried my best to date her however she had a thing against me been 3 years younger than her even her aunt tried to help but it did not work.

Instead we became very close friends always in contact, I remember the day she told me she had cancer but also remember the day she called me to tell me the cancer was gone and again I remember well the day she told me her dear friend was back and very aggressive.

We have friends, very few friends in this life perhaps 2 or 4 ...

Charito was one of them a I am going to miss her smile a lot.

God have you in his glory my querida Charito, for sure I will see you again.

Your always friend,

Manny

Memories of happiness and laughs, even when the road was rocky, our "comadre " always enjoyed our company, our parties, good friends, dancing and accompanied by good wine.

Always next to her, during healthy days and also when health wasn't that great.

Always, forever and ever in our hearts!!!
