“ My heart goes out to all of you now and in the days ahead. Toni was always fun to be with (even though these recent years we didn't get to spend that much time together). She could giggle like no one else. She always had lots of fun things to talk about when we had a marathon telephone conversations. I will miss her laughter and fun as I know you will too. Rely on each other for strength during this time and remember she would want you to be happy. All my love, Aunt Karen

“ To our goddaughter Deborah and family, The first time we met your mother, we were struck by her beauty and her elegance. Soft-spoken and kind, she was the epitome of a lady in the best sense. Her life as a woman, a wife and a mother was exemplary. She always welcomed us with an open heart and for that, we are thankful. By knowing her, our lives are richer. We grieve with you.

“ Tim, Chris, Debbie and Stephanie, you are all in our thoughts and prayers. Aunt Toni had a heart of gold, she was a kind, loving and was always smiling. I remember the saying the Uncle Jerry and Aunt Toni said before they took a drink, which also was the name of their boat. Treasure all of your memories of the Gomolak Christmas parties, house moving, fishing and boating and we will too.
