Being best man at my wedding and then as our Greek tradition has it, you are the Godfather to Debra my first born and the light of your life. What a wonderful wedding day she had when the two of you danced to Celine singing Because I loved you. Those words have so much meaning for the two of you. You are loved by all who knew you. “ Dear Nuno, I love you & always will. You were a wonderful godfather & always there when I needed you most. I could call you & you would listen & I always looked forward to your visits in St. Thomas. They were the best. I will never forget you dancing with me at my wedding, I was so happy you could make it. I make the Greek Chicken with potatoes all the time as you taught me and put up my corn in winter. So many little things you are remembered by. I know you are with Uncle Charlie, Uncle Roger, Uncle Nicky, Aunt Sally and Anthony now probably playing cards. Your children, Kelly, Linda, Sally, Damian, and Debbie will all miss you along with all their children your grandchildren, your nieces, your nephews, great nieces, great nephews, and the great greats that have had the joy of meeting you. You were a good man, you made mistakes, you lived life and gave back with working with the Church. Our conversation last week, meant the world to me and without knowing it I said goodbye. It was like having the old Nuno back. I love you and will always have you in my heart. Debra
