“ My aunt Valerie made the world shine with her beautiful smile and warm heart. She made me a better person in so many ways. She will be missed but I will cherish my memories I have had over my lifetime. I will cherish the visits to her apartment were we squeezed in my 4 children and all laughed and enjoyed our dear aunt. I will cherish the time my husband and I took her in our plane to visit her nephew who lived in Cape Cod. I will cherish spending her last birthday on earth with her and seeing the smile when we brought her two of her favorite foods, pizza and chinese. My aunt will be missed by many by will live on through our wonderful memories of her. Thank you to everyone who helped her, prayed with her and was there for her. I truly appreciate that. Love from her niece Lori Bisnov
