“ Never to be forgotten, a fun guy. And a 1960 graduate who led the way as "our class reunion leader" I got to see him for a chat at the Darien Senior Center a while back hoping to pull off one more class reunion. So sorry for his family's loss. My heartfelt condolences. I will surely miss him. Lenora (Leni) Cavaliero

“ We enjoyed Vaun's music very much here on the DooWop Cafe internet radio station. He had a DJ show on Saturday mornings and I had the pleasure of meeting him in NYC at one of our social gatherings.

“ Sending deepest condolences to The Polcer Family from The Arcanos. So sad to hear of the loss of another Cove Boy. I know he and my dad and many of their buds are living it up in a better place now! I'll always remember his Vintage Vinyl collections and the fun we had when he hung out with the fam. Keeping you all in our thoughts during this difficult time.

“ Rest easy Uncle Vaughn - I have many fond childhood memories of car shows and leaf peeping with you. I will always remember how much you helped me with my master's project (with your audio skills), and also how you were there for me and my family when Tim died. Much love to Kim and Kevin and the entire family.
Your niece,
Jill
