“ My heart was heavy to hear of your passing. I always enjoyed our conversations about life, family and growing up in the hood. You always had a smile on your face and words of wisdom to share. Though I moved Florida a few years back, we still remained in touch and it was great speaking with you. Rest in peace my friend, hopefully you are playing the lottery in heaven.

“ Victor was the “cool uncle” always around to supervise but who you could relate to. He often went out of his way to chat and to give me in particular sound relationship advice since it was clear in those days I really needed it. Being married to his late wife Maritza brought him so much joy and it made me feel so good to have been the matchmaker that brought them together. Over the years he often thanked me as we reminisced about the day they met; how both Maritza and Victor each independently asked me about the other and how I dragged them on the dance floor for a dance together. It was a magical moment to witness true love unfolding before my eyes. I will never forget it! When their son Cristian Gabriel was born I thought, how lucky for him to have been conceived of THAT kind of love! How lucky to have Maritza and Victor as his parents. I will miss my cool uncle Victor but the awesome memories will remain for a lifetime.

“ Where do I begin? One of my favorite memories of my Uncle Victor is when I'd come home to visit, and he'd play “En mi viejo San Juan” on his guitar. It always made me teary eyed. He was always a jokester and made you laugh. He'd make his monthly routine calls and I was on the list, even when I moved back home; always telling me not to work so hard and to take care of myself. He loved his family and we loved him. I am heartbroken and will truly miss him beyond words.

“ Sharing stories about his life while listening to his favorite trio ballads and stories from the 80’s at Manoletes were some of the very special moments I shared with him at 4am.. Psst, Victor you awake, “I am now” 😭 He would hang out and after sharing stories would let me fall asleep in his bed while he would then make me pancakes and bacon... I have no words at how much I am going to miss him! 4am will never be the same! Always and forever imbedded in my heart and memories... Love you!!!!

“ Ah my Uncle Victor was special in a lot of ways. He let you know when he didn’t like what you were doing, and he also always let you know when he did. He would always call just to see how I was doing. He would tell me to always be responsible, always take care of my responsibilities, and would always tell me he loved me. I loved having random lunches with him at village table, or Rikos. I’ll miss hearing him say “Love you cacalaka”. I’ll miss him more than he’ll ever know.

“ Uncle Victor would always ask how I was feeling/doing & always cared dearly for my health and I will always cherish that. Even when he didn't feel 100% well he never forgot to ask how I was feeling. My favorite memory is always unexpectedly bumping into him somewhere in Springdale and seeing him smile, that made my day. It makes my heart full knowing you're reunited with Titi Maritza and Tito. Love you forever, you will truly be missed. XO

I met him about 12 years ago, and we hit it off from day one. I always enjoyed our conversations about the old days. So sorry that I never got a chance to sit down and Listen to his music collection. My Wife always says how nice he always treated her when she was young. A true Gentleman who will be missed.

My husband and I had the pleasure meeting Victor and his sister Eda about 6 years ago. He had been searching for my mom, Jenny for years, they were cousins that had lost touch. They found each other shortly before mommy's 70th birthday!! Mommy told me when she was young living in the Bronx she would pack a suitcase, catch the train and have sleepovers with her cousins Victor and Eda. Victor and Eda were so loving and they would all have the best times together. So much love between them. Victor & Eda came to my mom's 70th birthday party and this made my mom so happy! Victor was such a happy soul. He made you feel like he had known you for years and was your friend instantly. My husband Jose and I enjoyed his company. Blessings to you all for the loss of this wonderful man. I can feel the love in your messages. Love to you all, Jenny & Manuel Rivera, from Deltona, Florida, and Jose and Margie Cruz, Stratford CT. Our prayers are with you all.

Hope Street will never be the same without Victor. The first day we opened Just A Peace Giftshop, Victor walked in and stayed for 2 hours and every visit afterward, was always an hour or more! He instantly became our friend and all the kids loved him, especially my son Anthony. Victor always had a smile on his face and a story that would warm your heart. He was a kind and gentle man, always offering his help. We will miss him dearly and he will fondly be remembered... and every year when we put out the "Tinsel Tree" that we bought from him, he will be our angel on top of the tree. RIP our dear friend... You will always have a special place in our hearts. Our deepest condolences to his family. With our love and prayers, Robin, Michael, Anthony, and Nicholas Portanova and all at Just A Peace Giftshop
