“ *Dear Brad and Wendy, my thoughts are with you at this very sad time. Your mom and I worked together at Davenport for many years. We had many discussions over the years, mostly about our families and , of course, school gossip. She was a terrific lady and will be greatly missed.*

“ I worked at Davenport as the ESL teacher for over 34 years and was always so happy to see Ginny when I was in the media center. She was so helpful and put special books aside for my students, or she delivered them personally to me. I was so grateful. I loved the discussions we had over the years about family and school events. I want to express my deepest sympathy to Ginny's family. She will be missed.

“ I worked with Ginny for many years at Davenport Elementary. As a new teacher to the school, she was one of the first people to welcome me with a smile and an offer to help. I always remember her as thoughtful, friendly, and ready to chat. My condolences to all of her family. She will be remembered fondly.

“ Ginny was a good friend of mine at school. Always pulled out special books she knew I would like to share with my students. Loved to share her secret stash of candy. I will remember her in my thoughts. Karen Tobias

“ Ginny Griffin was known to me during my 13 Davenport years as a smiling and ever-chatty passionate person. She told me she was in her 80s and never been sick and always reported to school. During my 13 years at Davenport, she was the one staff member who was ever present and never absent. At one of our “chat” sessions she said that she never wanted to retire and would continue to work. I was amazed by her positive attitude and dedication. Everybody heeds a calling- I believe Ginny’s calling was to help children with checking out books. Staff and teachers Including me who have known her will miss Ginny. May her soul Rest In Peace.💖
