“ Wayne, my heart hurts today 💔
I'm just learning of your passing, and I'm truly heartbroken. You
were such a sweet, genuine man. Some of my favorite memories
are the summers we spent talking at Dunkin', chatting about the
world and all the changes in life and automobiles.

*Because of you, I fell in love with big trucks as a child—and I've
carried that with me ever since. You were always so proud of me,
especially when I became part of the Coast Guard Auxiliary, and I'll
never forget that.*

*You were a guiding light to everyone who knew you and a gift for
knowledge and a heart that always wanted to help others. That's
something so rare.*

*Thank you for the impact you had on my life. You will be deeply
missed.*

May you rest in heavenly peace ☐

“ I just learned about Wayne's passing, he was my customer at Jeep and he's known my family for many years, to where I started calling him Uncle Wayne. I'm so sorry.

“ We were so sorry to hear of the passing of Wayne. Our family will miss him dearly. He is gone from our sight, but never from our hearts. We will always remember the support and compassion he gave our family during the passing of our beloved sister. We choose to remember the happy times when he would proudly display the pride and joy of his infamous truck. May God hold him close. Rest in peace our very dear friend.
