April 28, 1994 - November 24, 2024

This fall, on Nov. 24, 2024, William Czoch departed this world. He was born on April 28, 1994, in Stamford, CT. He was 30 years of age. Although young, William lived an incredible life and is loved by many.

In his professional life, William was a carpenter. He worked alongside his father, running the family business. Later, William would earn his livelihood by starting his own construction business and being a superintendent at a large apartment complex in downtown Stamford, making a nice life for himself.

Aside from carpentry, William loved to live on the edge, performing crazy stunts. He loved skateboarding, snowboarding, the mixed martial arts, racing, and anything that would give him an immense rush, often making videos that inspire and bring joy to all its viewers.

William was also an adventurous individual, always traveling. He traveled across the East Coast of America, hiking, fishing, camping, and kayaking. William also had great pleasure visiting the birthplace of both his parents, Poland. His favorite place was Zakopane, a mountainous region with beautiful forests, lakes, and breathtaking views. Germany, Slovakia, the U.K., France and Mexico were also places, William visited. He filled nearly a dozen photo albums of his wonderful adventures.

Above all, William took great pleasure in being an older brother. He always

looked after his siblings and friends, protecting them, guiding them, and motivating them.

William is survived by his brothers, Kevin Czoch and Oliver Czoch, and his sister, Olivia Czoch. William is survived by his mother, Zofia Skokowska; his father, Mariusz Czoch; and his grandmothers, Stefania Skokowska and Zofia Czoch. William is survived by his longtime partner, Klevisa Kovaci. William is survived by many uncles, aunts, cousins and nephews. He is also in the hearts and memories of his friends. “ Hi Will... it's far too soon to be saying goodbye.. One thing about you, you were always so sure of yourself. You walked into a room and presented exactly as you are! No fronts, just Will! And we all loved you for that and so much more. There was a period in middle school where we hung out everyday. You know the unforgettable crew! Between yours and Sabina's house, running around the east side, making memories that I will forever cherish. Until we meet again!! <3333

“ Will was a big influence in my life and we skateboarded a lot together. He was a very strong individual and we filmed and edited a skate video of him and his brother Kevin called happy days. We spent a lot of time together skateboarding and hanging out. I looked up to Will and will never forget the memories we made together. His soul will be cherrished in my heart forever. I pray for his family and friends and I pray that Will is at peace. I love you Will so much. -
